

MISSION STATEMENT

The Mission of the City Chamberlain's Office is to safeguard the fiscal integrity of the City of Oswego through the development, implementation and promotion of sound financial policies and practices. The challenge is to budget wisely to provide optimum services while allocating scarce resources to maximize the tax payer's dollars.

To provide the citizens, employees, and vendors with professional customer service through collection and disbursement of funds, financial reporting, management of assets, and technology.

Provide accurate and timely financial information to the Mayor, Common Council and Department Managers.

Each employee of the City Chamberlain's Office has an essential roll in fulfilling this mission.
