Approve minutes of October 3, 2016, committee meeting.

I. Old Business:

1. Councilor John B. Gosek requests discussion regarding changes to the Taxicab Ordinance (Chapter 228).

II. New Business:

Authorization:

2. Mayor William J. Barlow, Jr., proposes installing large planters at the intersections and crosswalks within the painted areas in neighborhoods. Planters will create safer pedestrian crossings. Also, the more elements close to the roadway, such as planters, help signal drivers to slow their speed. The cost of the Planters is \$299.95 each and I would like to purchase (10) ten. The supplier will extend a 15% discount. Attachment
