Monday, May 1, 2017  
Time: 6:30 PM

Roll Call: **Nathan S. Emmons**  
John B. Gosek  
Robert A. Corradino

Approve minutes of March 20, 2017, committee meeting.

I. **Old Business:**

**New Business:**

1. The Engineer's Office received an application from Verizon Wireless to construct and operate a "micro cell" wireless telecommunications facility on the roof of an existing building located at 41 Lake Street.

The Common Council is requesting that said application be referred to the Planning Board for an advisory opinion. Upon an advisory the application will return to the Planning and Development Committee for further consideration. Application will be in the Mayor's Office for review.

2. The Engineer's Office received an application from Verizon Wireless to collocate and operate a micro cell wireless telecommunications facility onto the roof of an existing building located at 341 NYS Route 104.

The Common Council is requesting that said application be referred to the Planning Board for an advisory opinion. Upon an advisory the application will return to the Planning and Development Committee for further consideration. Application will be in the Mayor's Office for review.
