

## Instructions to Obtain a Marriage License

- Those who desire a marriage license must be at least 18 years old and be able to produce identification: this includes a **raised seal birth certificate (in good condition) and a driver's license or non-driver's ID**. For a minor to be granted a marriage license, he/she must receive written consent from both parents.
- If either person has been married before, they must produce **divorce papers with the filed date stamp** for **all** previous marriages to receive a license.
- Both persons must be present to obtain a marriage license, and there is a **24-hour waiting period** from when the license is issued before it can be used.
- The cost is **\$40.00**, and it is valid for 60 days in the State of New York.
- If you have any further questions, please contact the City Clerk's Office at 315-342-8116.
