II. ***NEW BUSINESS:***

1. Mayor William J. Barlow, Jr. requests amendments to the Downtown Parking Policy. Mayor Barlow says that across from Karpinski's and Dufore's there is a municipal parking lot where Wayne's has an agreement to use some of the spaces and the rest is public parking. There are 6 parking spots in the lot designated by the police department for guest overnight parking. These six spaces you can pay \$5.00 to park there for the night but Chief DeCaire says it's never been used. Mayor Barlow says that for Ed Albert's DRI project, one of the commercial spaces sight plan needed to account for available parking, so we included these 6 spots in that. He says these spaces are still public parking and are not exclusive. He says in the downtown policy it states that these 6 spaces specifically are for guest parking so we have to strike that.

***COMMITTEE DECISION:*** Councilor McBrearty made a motion to forward a favorable recommendation to make amendments to the Downtown Parking Policy. Councilor Corradino seconded the motion, unanimous approval.
